

# State Law Changes Maximum Aid Payment (MAP) Levels for Cash Aid Recipients

As of July 1, 2011, the MAP levels for all cash aid families will be lowered by 8 percent.

You will get a Notice of Action (NOA) in June showing your new aid amount starting July 1 because of the MAP change. When you get your NOA you will be able to ask for a hearing if you want.

If cash aid is your only income, you will have less money to meet your family's needs. You will need to plan for this change. Families can make up for the cut by working. If you are already working, try to increase your hours.

## CalFresh Changes:

Most families get more CalFresh benefits when they get less cash aid. You will get a separate notice if your CalFresh benefits change due to other changes in the household income or circumstances.
